

# How To \_\_\_\_\_

## Create an Educator VoiceThread Account

1. Open Firefox and type in the following URL: [www.ed.voicethread.com](http://www.ed.voicethread.com) .

2. Click on “*Sign in or Register*”.

3. Click on “*Register*”.

4. Fill in your information and click “*Register*”.

5. Click on “*My Voice*”.

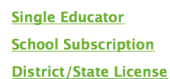

6. Click on the “*Join Ed.VoiceThread!*” button at the top of the page.

7. Click on “*K-12*”.

8. Click on “*Single Educator*”.

9. Scroll to the bottom of the page and click on “*Apply!*” for the free VT Educator Account.

Apply!

10. Fill out the form and submit.

11. Check your email and click the link to verify your account.

12. You can now create up to 50 free VoiceThreads for you and your class.

13. Create your class Gmail and VoiceThread account(s). Each free account will need to have a Gmail address associated with it. You will create accounts for each of your class periods. See the document titled *How To Create Class Gmail and VoiceThread Accounts*. Use the following URL to create the class VoiceThread accounts: [www.voicethread.com](http://www.voicethread.com).

(**NOT** from ed.voicethread.com. The new accounts won't be educator accounts).

Info- each free VoiceThread account will be able to create 3 VoiceThreads. You can copy then share a VoiceThread from your educator account to the student VoiceThread accounts without affecting their 3 free VoiceThreads.

Important Note: As of the fall of 2011, you will log into voicethread.com (**NOT** ed.voicethread.com) with your free educator account.
